3RD LARGEST PLASTICS EXHIBITION IN THE WORLD!

PLASTINDIA 2018 EMPOWERING GROWTH

10th International Plastics Exhibition, Conference & Convention

Feb. 7-12, 2018, Gandhinagar - Ahmedabad, Gujarat, India.

125,000
Sq. Mtrs. Area

2000
Most Influential Exhibitors

500+
Overseas Exhibitors

200,000
Visitors

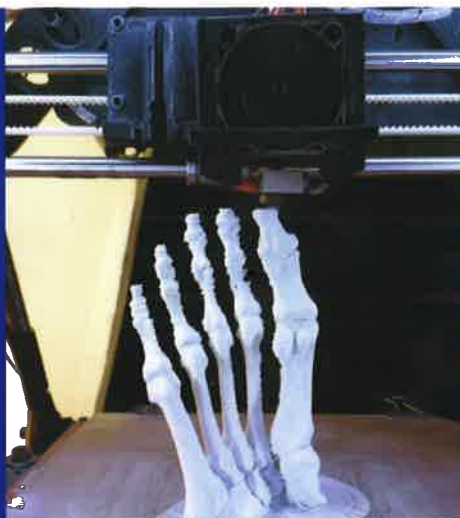

Welcome to PLASTINDIA 2018 – The 3rd largest Plastics Exhibitions in the world. The 10th Edition will showcase two distinct and critical facets - The future of the Plastics Industry and the future of humankind itself.

The growth segments like Automobiles, Healthcare, Packaging, Infrastructure, Agriculture, Telecom, New & Renewable Energy and the emerging segments like Plastic Composites, Sports, 3-D Printing - that shall drive us in creating better equipped human beings, whether physically or in terms of ability - to navigate hostile terrain, to nurture and support nature or to create magic by translating thoughts into products on a daily basis; will be all here.

For any significant player in the Plastics paradigm, the next destination is the world's fastest growing major economy – INDIA. Who can bring India to the world better than PLASTINDIA 2018.

For those who want to know 'what is next?' **NEXT is HERE!**

Concurrent Events

PROPLAST is the heart of India's Plastics industry.

It's a showcase of India's burgeoning plastics processing capability. It demonstrates the high standards that are consistently delivered by Indian processors across the globe. It gives Indian processors a high visibility platform to interact with international businesses. The fifth edition in 2018, PROPLAST will have its own dedicated pavilion of more than 5,000 sq.mtrs.

10th International Conference

Integral to PLASTINDIA EXHIBITIONS, the International Conference will host some of the most renowned experts on Plastics. World leaders in Plastics are looking forward to sharing their experience, knowledge, expertise and views with international audiences through this conference. A must attend event for gaining global insights and knowing global trends.

Plasticon

Awards 2018
RECOGNISING EXCELLENCE

8th Plasticon Awards

The 8th Plasticon Awards will be held concurrently with PLASTINDIA 2018, where the biggest, the best and the brightest from the Indian Plastics Industry will be felicitated for their accomplishments and excellence across various categories.

Get great subsidies or reimbursements on airfares and free hotel accommodation inclusive of free meals and airport transfers! Register for 'MEET-2-TRADE', the unique 'Reverse Buyers Sellers Meet' (RBSM) only at PLASTINDIA 2018.

This 'Reverse Buyers Sellers Meet' (RBSM) is specially conceptualised by PLASTINDIA 2018 to facilitate direct meetings and interactions between hundreds of foreign delegates and Indian counter parts for a focussed and pre-planned business interaction. 'Meet-2-Trade' RBSM will catalyze real time business worth millions.

To further boost this initiative, first 600 of the foreign delegates to apply and qualify will get great subsidies or reimbursements on airfares and free hotel accommodation - inclusive of free meals and airport transfers!*
