PLASTINDIA 2026 Brings 'Bharat Next' Vision to Bengaluru: Roadshow Highlights \$50 Billion Industry Growth & Innovation Opportunities

BENGALURU, India – December 13, 2025 – The Plastindia Foundation today successfully concluded its high-profile roadshow in Bengaluru, rallying the South Indian plastics and manufacturing fraternity for the upcoming **PLASTINDIA 2026**. Scheduled for **February 5–10, 2026**, at the world-class **Bharat Mandapam in New Delhi**, the 12th edition of this global mega-event promises to be a watershed moment for the industry under the theme *"Bharat Next."*

Addressing a gathering of industry captains, policymakers, and innovators in Bengaluru, the Plastindia Foundation leadership highlighted India's trajectory to becoming a global plastics superpower. With the Indian plastics industry projected to reach a market size of **\$50 billion by 2026** and exports aimed at \$15 billion, PLASTINDIA 2026 will serve as the catalytic platform for this exponential growth.

"Bengaluru is the innovation capital of India, and its role in advanced manufacturing and sustainable solutions is critical to our 'Bharat Next' vision," said **Mr. Ravish Kamath**, President of Plastindia Foundation. **"PLASTINDIA 2026 will not just be a trade show; it will be a global showcase of India's manufacturing prowess, hosting over 2,000 exhibitors from 80+ countries. We invite the visionaries of Karnataka to join us in New Delhi to shape the future of this sector."**

A World-Class Experience at Bharat Mandapam

The roadshow emphasized the strategic selection of Bharat Mandapam as the venue, offering 5,40,000 sq. mtrs of gross area with state-of-the-art infrastructure. To address historical industry pain points, the 2026 edition introduces enhanced exhibitor and visitor experiences:

**PLASTINDIA FOUNDATION®**ISO 9001:2015 Certified

- **Seamless Networking:** Advanced matchmaking tools to connect 600,000+ expected visitors with the right partners.
- **Global Innovation Showcase:** Dedicated pavilions for AI in manufacturing, recycling technologies, and 3D printing, directly relevant to Bengaluru's tech-savvy demographic.
- **Sustainability Focus:** A spotlight on the circular economy, with the event itself setting benchmarks in sustainable operations.

Mr. Alok Tibrewala, Chairman, National Executive Council, PLASTINDIA 2026, added, **"With the Indian economy set to cross the \$4 trillion mark, the demand for plastics in automotive, electronics, and packaging sectors—all strongholds of South India—will soar. PLASTINDIA 2026 provides the perfect ecosystem for businesses to capitalize on this 10% annual industry growth."**

Call to Action

Exhibitor spaces are filling fast. The Plastindia Foundation invites all stakeholders from the plastics, packaging, and related sectors to register immediately.

- **Event Dates:** February 5–10, 2026
- **Venue:** Bharat Mandapam, Pragati Maidan, New Delhi
