PLASTINDIA FOUNDATION®

ISO 9001-2015 certified

Established in 1987, PLASTINDIA FOUNDATION is the apex body of major associations, organisations, and institutions connected with Plastics, focused on promoting the development of the Plastics industry and to assist the growth of Plastics and related materials. The Foundation is committed towards the nation's growth with the development of the Plastics sector. The aim of this organisation is to facilitate the export-led growth of the Indian Plastics industry and help boost export growth, both in volume and revenues. It is focused on making India the number one destination for the preferred sourcing base of Plastic products in the world.
